

FOHBC Hall of Fame Nomination

Alan DeMaison | Columbus, Ohio

From Ferdinand & Elizabeth Meyer

16 July 2024

Dear FOHBC President and Board Members:

We are pleased to nominate Alan DeMaison to the FOHBC Hall of Fame in 2024. If approved, Alan will accept his award at the FOHBC Houston 2024 National Antique Bottle and Glass Expo during the Dinosaurs Banquet on Friday evening, 02 August 2024.

We have known Alan since joining the FOHBC and have worked with him continuously for many years. He is one of those rare individuals who volunteers, shares his knowledge, pursues projects, and is constantly enthusiastic about everything he undertakes.

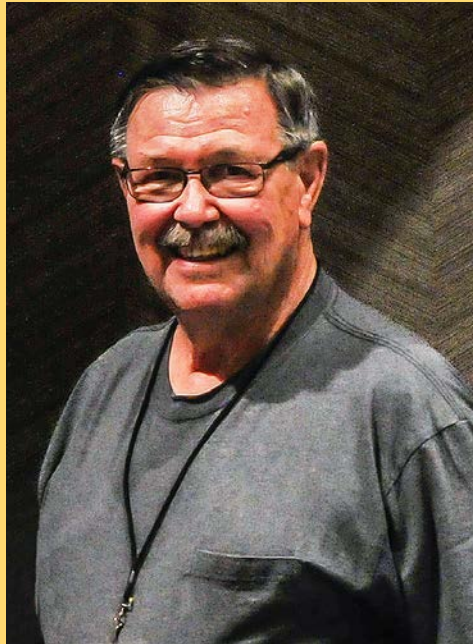

Alan is a family man first and an educator by trade. He was the FOHBC Treasurer for seven years and Business Manager for three years. Alan's leadership and commitment to the FOHBC are evident in his role as one of the three founding members of the FOHBC Virtual Museum, where he serves as the Museum's primary fund-raiser and treasurer. He also oversees all image photography for the Museum spins. Alan was awarded the prestigious FOHBC President's Award in 2009 and is instrumental in the Ohio Bottle Club, where he was president for 15 years, newsletter editor for five years, and webmaster of the site he designed in 2014. Alan collects Meadville Rye Whiskey collectibles and history and has a Facebook page sharing related images and historical information. His modest Historical Flask collection and his "War Slogan" milk bottle collection are a testament to his passion for history and preservation.

An overview of his many achievements will be sent as an attachment.

With respect,

Ferdinand Meyer V
FOHBC Director at Large
